## Who we are and What we do

Toto Too is a leading LGBTQ+ charity in the North East that prides on highlighting safe and inclusive spaces in and around Newcastle. Committed to supporting queer youth, the overall aim is to provide resources and support directly to youth, including identifying safe/welcoming spaces, events, people, and advice.

On this website you can find...

## Interactive Map

We designed an informative map to tell you about exciting upcoming events in our favourite safe places. Our aim is to support our youth in the north east and introduce you to events where you can meet real people through our digital world and connect in real life community celebrating you. These spaces are continued to be discovered by you for you.
